20 the juvenile court shall determine whether needed aftercare  
21 services are available and whether termination of the placement  
22 is in the best interest of the child and the community.

23     4. In accordance with the provisions of [section 232.188](#),

10 services funds available in the district court or departmental  
11 service area distribution amounts to pay for the service. The  
12 chief juvenile court officer and the departmental service area

8 3. A portion of the funds appropriated in this section may  
9 be transferred to the appropriations made in this division of  
10 this Act for field operations or medical contracts to be used  
11 for the integration of hawk-i program eligibility, payment, and  
12 administrative functions under the purview of the department  
13 of human services, including for the Medicaid management  
14 information system upgrade.

15 Sec. 55. CHILD CARE ASSISTANCE. There is appropriated  
16 from the general fund of the state to the department of human  
17 services for the fiscal year beginning July 1, 2020, and ending  
18 June 30, 2021, the following amount, or so much thereof as is  
19 necessary, to be used for the purpose designated:

20 For child care programs:

21 ..... \$ 40,816,931

22 1. Of the funds appropriated in this section, \$34,966,931  
23 shall be used for state child care assistance in accordance  
24 with [section 237A.13](#).

25 2. Nothing in this section shall be construed or is  
26 intended as or shall imply a grant of entitlement for services  
27 to persons who are eligible for assistance due to an income  
28 level consistent with the waiting list requirements of section  
29 237A.13. Any state obligation to provide services pursuant to  
30 this section is limited to the extent of the funds appropriated  
31 in this section.

32 3. A list of the registered and licensed child care  
33 facilities operating in the area served by a child care  
34 resource and referral service shall be made available to the  
35 families receiving state child care assistance in that area.

1     4. Of the funds appropriated in this section, \$5,850,000  
2 shall be credited to the early childhood programs grants  
3 account in the early childhood Iowa fund created in section

5 community-based early childhood programs targeted to children  
6 from birth through five years of age developed by early  
7 childhood Iowa areas in accordance with approved community  
8 plans as provided in [section 256I.8](#).

9     5. The department may use any of the funds appropriated  
10 in this section as a match to obtain federal funds for use in  
11 expanding child care assistance and related programs. For  
12 the purpose of expenditures of state and federal child care  
13 funding, funds shall be considered obligated at the time  
14 expenditures are projected or are allocated to the department's  
15 service areas. Projections shall be based on current and  
16 projected caseload growth, current and projected provider  
17 rates, staffing requirements for eligibility determination  
18 and management of program requirements including data systems  
19 management, staffing requirements for administration of the  
20 program, contractual and grant obligations and any transfers

27 and other programs for at-risk children in [section 279.51](#).

28     7. If a uniform reduction ordered by the governor under  
29 section 8.31 or other operation of law, transfer, or federal

31 section for the fiscal year, the percentage reduction in the  
32 amount paid out to or on behalf of the families participating  
33 in the state child care assistance program shall be equal to or  
34 less than the percentage reduction made for any other purpose  
35 payable from the appropriation made in this section and the

1 federal funding relating to it. The percentage reduction to  
 2 the other allocations made in this section shall be the same as  
 3 the uniform reduction ordered by the governor or the percentage  
 4 change of the federal funding reduction, as applicable. If  
 5 there is an unanticipated increase in federal funding provided  
 6 for state child care services, the entire amount of the  
 7 increase, except as necessary to meet federal requirements  
 8 including quality set asides, shall be used for state child  
 9 care assistance payments. If the appropriations made for  
 10 purposes of the state child care assistance program for the  
 11 fiscal year are determined to be insufficient, it is the intent  
 12 of the general assembly to appropriate sufficient funding for  
 13 the fiscal year in order to avoid establishment of waiting list  
 14 requirements.

15 8. Notwithstanding [section 8.33](#), moneys advanced for  
 16 purposes of the programs developed by early childhood Iowa  
 17 areas, advanced for purposes of wraparound child care, or

 27 necessary, to be used for the purposes designated:

28 1. For operation of the state training school at Eldora and  
 29 for salaries, support, maintenance, and miscellaneous purposes:

10    1. There is appropriated from the general fund of the

22 paid under the appropriation in this section. The department

32 allocated in this paragraph "a", the department may reallocate  
33 the excess to provide additional funding for family foster  
34 care, independent living, family safety, risk and permanency  
35 services, shelter care, or the child welfare emergency services

1 addressed with the allocation for shelter care.

2     b. If at any time after September 30, 2020, annualization  
3 of a service area's current expenditures indicates a service  
4 area is at risk of exceeding its group foster care expenditure  
5 target under [section 232.143](#) by more than 5 percent, the  
6 department and juvenile court services shall examine all  
7 group foster care placements in that service area in order to  
8 identify those which might be appropriate for termination.  
9 In addition, any aftercare services believed to be needed  
10 for the children whose placements may be terminated shall be  
11 identified. The department and juvenile court services shall  
12 initiate action to set dispositional review hearings for the  
13 placements identified. In such a dispositional review hearing,  
14 the juvenile court shall determine whether needed aftercare  
15 services are available and whether termination of the placement  
16 is in the best interest of the child and the community.

17     4. In accordance with the provisions of [section 232.188](#),  
18 the department shall continue the child welfare and juvenile  
19 justice funding initiative during fiscal year 2020-2021. Of

3 to [section 232.141](#) if there are insufficient court-ordered  
4 services funds available in the district court or departmental  
5 service area distribution amounts to pay for the service. The  
6 chief juvenile court officer and the departmental service area
